THE PRESIDENT

Woodrow Wilson High School
Portsmouth, Virginia

PORTSMOUTH PUBLIC LIBRARY
PORTSMOUTH, VIRGINIA

Reflections
Of
1970-71

To everything there is a season, and a time to every purpose under the heaven.

A time to break down,
and a time to build up.

DR. M. E. ALFORD
Superintendent of Schools

Students and teachers begin to

Wilson marches on.

The S.C.A. entertains at the freshman orientation.

experience school life again

The top men of Wilson enjoy pre-school entertainment on in-service day.

Juniors sure do have muscles.

New arrivals.

Mrs. Glickman signs absentee slips before class.

Those crowded cafeteria shifts.

The old and the new blend together

New reforms in the dress code.

Cathy learns skill in operating office machines.

Teachers catch up on work in their spare time.

as the year progresses.

Some courses will never be the same.

Teachers visit the photographer also.

We were getting in the mood for –

When did they say it was? 19?

It's shaping up beautifully.

Beauty and Victory

Those final little touches are important.

The girls get "Spirit."

The 1945 powerhouse.

The crowning of our Queen.

Such joy!

Beauty and Victory it was!

The big line-up.

Sh-sh!

The Junior Class float joins the parade.

The Queen and all her subjects.

Stephanie Facenda reigns over homecoming 1970

Jan Pringle – Senior Attendant

Gay Mabe – Senior Attendant

With maid-of-honor Stella Caravas

Brenda Lauterbach — Junior Attendant

Marion Bazemore — Junior Attendant

First prize winners!

Mr. Ryder is a big success at the luau.

We've got spirit!

Victory is a must at Wilson.

Juniors sell class rings.

November brings exciting events

Students sign up for picture taking.

Basketball season gets off to a good start.

"If anyone has harmed that lovely child . . ."

A truly memorable performance — "Death Takes a Holiday"

"My little Grazia, how shall I tell you?"

"But I've always known. You don't frighten me."

Christmas brings cheer

Classes show spirit with attractive bulletin boards.

Teachers get "in the mood" with songs from the Presidents and First Ladies.

Sarah Truex helps decorate tree in the library.

At Christmas assembly, Mrs. Buckley leads the entire chorus in song.

"I never thought she'd clean up so good"

"The Rain in Spain"

MY FAIR LADY is a "smashing" success!

"But," she said, "Never mind sending any clothes."

"I'm getting married in the morning"

Eliza and Freddie

Eliza and the Cockneys

After the transformation

Ascot Op'ing Race

And Finally the Arrival of "J.B."

Here I am – The one and only "J.B."

Who in the world is "J.B."?

Hey, where is everybody! (Of course they've gone to see "J.B.")

Wow this is really great!

Varsity Club "Whoops" the High Hoopers.

We know we're great!

Two Points . . .

"Ed Lil's" third hand comes in handy.

Up, Up, and away.

Dramatics Club

Contest Play – Riders to the Sea"

Member mourn over Tim Pague.

Gay Mabe, Liz Cobb, Peggy Heely also do their part in the One-Act.

"You the Jury"

Quinton Parker, found innocent.

Lawers Golblatt and Polson, discuss court room procedure.

Presents one-acts

"Artic Spring"

Steve Vass, rehearses in front of the other cast members.

Lynn Burnell, Steve Vass, Nancy Heely, and John Mayes are in "Artic Spring".

"The Secret"

Student director – Sharon Craig, gives pointers to members.

Diane Brantely and LuAnn Clayton make preparations.

Behind the scene preparations for the big night!

MANPOWER!

We really shouldn't be spying on them like this.

After "A" comes "B", not "5", Pat!

Hail! Hail! The gang's all here!

Caution: Girls, paint, and brushes.

I just can't figure out how it goes.

Told you I had an Ace up my sleeve!

The roaring 20's –

Camera shy? Never!

Parting is such sweet sorrow.

– swinging 70's style

Ah . . . those precious memories.

Refueling time.

The Showmen made the 20's swing like the 70's.

The bewitching hour for Cinderella.

FACULTY-ADMINISTRATION

Jack Ryder

He's back and we're glad! Mr. Ryder should be a familiar face to many of us. Although this is his first year here as principal, September 1956-1964 found him here as a science teacher, guidance counselor, basketball coach, and athletic director. Harry Hunt thrived under his leadership three years as an assistant principal and two years as principal.

Mr. Ryder settles down to his duties as new principal of WWHS

Edgar Morgan

Mr. Morgan comes to us with plenty of experience in spite of his youth. He taught at Harry Hunt Junior High from 1965 to 1967. The 67-68 school year found him at Highland Biltmore Elementary School as assistant principal. He spent from 1968 to 1970 as principal of Churchland Junior High School. He is now serving Wilson as assistant principal in charge of instruction.

Mr. Morgan checks up on the faculty.

Vernon Randall

This is Mr. Randall's second year at Wilson as assistant principal. Before coming here last year, he served as assistant principal at S. H. Clarke for one year and at Riddick Weaver Elementary for two years. He has taught social studies at Clarke and Norcom. He's **here** now, and we're proud of it.

If I've told you once, I've told you a thousand times!

SENIOR CLASS HISTORY

WE WERE THE FRESHMEN OF 1967-68

It was September, 1967, and Woodrow Wilson High School encountered the largest class of Freshmen ever to enter its doors. At first we were a little nervous, wondering which lines to get in next — where the library was, and pretending to know what we were doing. But in spite of all this, we muddled through with the friendly help of SCA President Pat Kreger and the understanding and sympathy of the counselors and administration. Before long, we learned our way around and took time out to elect Tony Antonucci our Freshman Class President. We were granted the privilege of cheering for Wilson's "mighty orange and blue" and we did our job wholeheartedly. We were Freshmen, but not for long. We had become a vital part of Wilson and we were heading full speed towards being the best class ever to have attended WWHS.

WE WERE THE SOPHOMORES OF 1968-69

After a seemingly short summer, we came back to Wilson as Sophomores and elected Alan Bartlett our class president. We wondered how many of the old faces would be missing and how many "eager-beaver" freshmen would be roaming our halls. We cheered even louder at football games, spent more time concerned about our individual destinies, and some of us even studied a little harder. For the first time we actually knew what was going on as we watched Richard M. Nixon elected as our new United States President. Our responsibilities were light, our obligations few and we chose our friends for sole purpose of making life more enjoyable. Wilson was becoming more and more a part of us; we learned its traditions and its way of life, and although some denied it, we began to feel that we were Presidents through and through and we loved that feeling! Our football team was ranked No. 1 in the State. And as the year ended we found ourselves very eager to come back as Juniors in such a wonderful school.

WE WERE THE JUNIORS OF 1969-70

When we re-entered the halls in our Junior year, we found them more crowded than ever. At first we didn't see how we could get along in such overcrowded conditions, but we soon settled down for an exciting and never-to-be-forgotten year.

Yes. We were Juniors. We had "learned the ropes" and the routine life at WWHS. Football season caught us off guard as we discovered that for the first time in many years we would not have a Homecoming Parade. "How could they do such a thing?" we cried. We were all ready to contribute Bonnie Buchanan as Maid of Honor. That year we were also invited by the PTA to join their organization and form a PTSA. The students were supposed to make the big difference in the "gap". So we voiced loudly our opinions on current fashions and helped formulate a new dress code. In an excited, chaotic rush we received our class rings, subtly showing them off to our jealous Freshmen and Sophomore friends.

Later on in the season before a capacity crowd at Frank D. Lawrence Stadium our hearts sank as we watched the mighty Presidents fall to Great Bridge after a 20-game winning streak. Near the end of the year, we were again saddened to learn that our principal of three years, Mr. W. W. Piland, would no longer be with us in our last year.

Both sadness and happiness was shared the night of our personal farewell to the Seniors, the Junior-Senior Prom. The theme was "The Roaring Twenties" and Gary Brower, Junior Class President, and Cabot Wilson worked diligently to make it a most successful evening. We knew that the year was over for us as Juniors but actually "our time" had just begun.

WE WERE THE SENIORS OF 1970-71

It all started last summer when friends and neighbors repeatedly asked, "How does it feel to be a Senior?" The answer was usually a short one because none of us really knew!

September finally came, but our school just wasn't the same. We noticed that many of our old friends — the Seniors of 1970 — had not returned to Wilson; we had taken their places. We had good feelings because we were treated as special people. Sometimes we regretted our benefits. Remember the day you came home with a sore neck from sitting in the front row in assembly for an hour? Homecoming descended upon us and we elected Stephanie Facenda to represent us as Queen. Her attendants, Jan Pringle and Gay Mabe, were also from the Senior Class. Our Senior Spirit seemed to pay off once again, when, for the second time in two years, our football team became Regional Champions. With the help of the S.C.A. led by Steve Foster, Wilson girls began wearing pants to school. Sharon Wright, our Senior Class President, guided us as we gleefully ordered our Graduation Announcements and other important material. And as the year moved to its inevitable end, these moments are crystallized into colorful memories, which find a permanent resting place in our hearts. We hope that we have made an impression in the paths of Woodrow Wilson High School, and as the road of life gets longer and harder to bear, we can only say keep your face toward the sunshine and the shadows will fall behind you.

It's no use to get upset — you know Wilson will win!

Wilson rolls in early season play,

Wilson 42, J. F. Kennedy 0

Portsmouth, September 11 —

In the first game of the season the Wilson Presidents surprised local prophets of doom by proving their ability to win in 1970. By the end of the first quarter of the opening game of the season, against Kennedy of Suffolk, it was clear that Coach Gahagan had replaced his 1969 scoring machine with one equally as powerful.

Wilson lost no time scoring, and pushed the score to 20 to 0 in quarter number one. An explosive Offense kept piling up points throughout the game, and a solid defense held Kennedy scoreless.

Quarterback Bobby Earl Dunn threw two touchdown passes for the Prexies, one to Robert "Baby" Powell, and one to Ronald Hardy. Kenny Moody and Darrell Rodgers were the stars in Wilson's running department.

Encouraged by this initial success, Wilson players and fans alike looked forward to another big season and began preparing for their next opponents, the Churchland Truckers.

Wilson 76, Churchland 0

Portsmouth, September 18 —

The Churchland Truckers came to Frank D. Lawrence Stadium on September 19, and were practically run out of the stadium by the end of the first half.

The Presidents could do nothing wrong; as they rolled up the third highest point total in Wilson's fifty-two years of football. Their ten touchdown outburst was led by the running of Robert Davis, Sebastian Collins, and Charles Harris and by the accurate passing of Bobby Dunn and Eddie McSweeney.

The first unit played a perfect game, scoring every time they had the ball. Robert Powell was instrumental in the victory, catching three touchdown passes. Eddie Powell and Ronald Hardy each caught one. Quarterback Bobby Dunn threw three passes for T.D. 's and backup Eddie McSweeney threw for two.

Another Wilson touchdown — this time against Indian River

Wilson 22, Indian River 0

Deep Creek, September 25 —

After holding two opponents scoreless, the Presidents met Indian River in Deep Creek stadium for a battle of the unbeatens. A week earlier, several comments were made in the paper concering which Wilson squad was better; the offense or the defense.

Although the offense played a good game, the defense quickly showed who was the best of the two. Led by the tremendous line play of Mike Fagan and Heartwell Harrison, the Presidents made it three straight shutouts. Blaine Clark, end, and linebackers Alvin Ely and Stanley Perkins also had very fine games.

The offense was led by Kenny Moody whose hard running alone accounted for the first touchdown. Sebastian Collins converted a crisis fourth down into a touchdown. Passing a halfback option to Robert Powell. Ronald Hardy proved his worth as a receiver making important catches.

Norview 8, Wilson 0

Norfolk, October 2, —

Wilson traveled to Chittum Field in the hope of winning its eighth straight game. The Presidents had previously shut out three straight opponents. To win, Coach Ralph Gahagan said that the Wilson defense would have to hold down All State running back, Larry Stepheny. The defense responded to this by holding Stepheny to just over one yard per carry but the offense never caught on, making ten turnovers.

The defense was led by the play of the line, anchored by Mike Fagan, David Moss, Steve Philbrick, Ronald Hardy, and Mike Lawson. The only time the defense allowed the Pilots to score was after Wilson fumbled deep in their own territory.

Prexies gain victory at homecoming

Wilson 38, Oscar Smith 12

Portsmouth, October 9 —

The Presidents got back to their winning ways as they defeated Oscar Smith in the Homecoming game by a score of 38 to 12. Bobby Dunn, Kenny Moody, and Pot Gaines led Wilson's offensive attack.

Wilson scored quickly and piled up 22 points in the first quarter. Bobby Dunn scored a touchdown on a 56 yard run, Olendus "Pot" Gaines returned an Oscar Smith punt for another score, and Eddie Powell grabbed a touchdown pass thrown by Dunn. To this total the Presidents added one more touchdown, as Kenny Moody scored late in the second quarter.

Oscar Smith's only score of the first half came on a 37 yard pass from Donald Thomas to Keith Fager.

The second half was a defensive battle. Both teams failed to score in the third quarter. Then, in quarter number four, Wilson fullback Kenny Moody scored his second touchdown of the night. The scoring was completed as Donald Thomas threw another touchdown pass to Fager for Oscar Smith. The final score was Wilson 38, Oscar Smith 12.

Wilson 34, Deep Creek 8

Deep Creek Stadium, October 16 —

Wilson's sixth opponent of the season did no better than the rest of them, as Deep Creek fell to the Presidents by a score of 34 to 8.

Wilson struck early and struck hard, as Davis and Charles Harris both scored touchdowns. Robert Powell caught a touchdown pass, as did Eddie Powell.

The Wilson defense, led by Moss, Fagan, and Harrison, held mightily until late in the game, when Deep Creek scored their only touchdown.

This was the third year in a row that Deep Creek was defeated impressively by Wilson. The Prexies won 51-20 in 1968 and 50-6 in 1967.

Wilson 16, Great Bridge 14

Great Bridge, October 23 —

Wilson ventured to Colon Hall Stadium on October 23 with the hope of gaining revenge against the Great Bridge Wildcats. The Wildcats upset Wilson 31-24 in 1969. It was a different story this time, however.

Great Bridge scored first with Everette Hardy going over for the touchdown. Wilson matched this score with a Robert Davis touchdown. Disaster struck for Wilson on the kickoff as Elwood Etheridge raced 95 yards untouched for a touchdown. The two point conversion failed and Great Bridge led by only 14-8.

This set the stage for the winning touchdown. Robert Davis carried it over with little over two minutes remaining. The important two point conversion was carried over by Sebastian Collins and Wilson carried away a 16-14 victory.

Wilson 32, Norcom 12

Portsmouth, October 31 —

Once again, Wilson put it all together as the Prexies downed their strong crosstown rivals, the Norcom Greyhounds, by a score of 32 to 12.

Scoring the first three times they had the ball, the Wilsonites quickly put the game out of reach. Robert "Ton" Davis, in the game's first score, ran the ball over the Norcom goal line from the one yard line. Halfback Sebastian Collins threw an option pass to Robert Powell, who carried it in for a touchdown. Davis scored twice more, both times with one yard runs. Freshman halfback Charles Harris completed the Presidents' scoring with an 11 yard run late in the game.

Led by Davis, who picked up 105 yards in 17 carries, the mighty Presidents garnered 376 yards by rushing — their best total of the year.

The Wilson defense also shone on this gray Saturday afternoon. President defense men intercepted three of Norcom Quarterback Winfield Copeland's passes, and allowed him to complete only four passes. Norcom's rushing yardage was held to 105 yards.

Portsmouth, November 20 —

The Presidents finished their regular 1970 season with a 26 to 0 drubbing of traditional rival Cradock.

Two plays worked incredibly well for Wilson on this November night. One was the quarterback keeper plays, and scored one touchdown on a run of 53 yards. The other key play was the halfback pass. Sebastian Collins threw three passes in this situation, and he completed all of them, including one for a touchdown to Robert Powell.

As usual, the Wilson defense stood out, Holding Cradock scoreless. Senior defensive back Dwight Leonard intercepted a Cradock pass to make it the third straight year in which he has picked off at least one Cradock aerial.

Most Wilson players and fans thought that this would be the Presidents' last game of the 1970 season. On Thanksgiving Day, However, A suprising Newport News team defeated the previously undefeated Hampton Crabbers and opened an Eastern Regional playoff berth for Wilson.

Wilson 52, Western Branch 22

Portsmouth, October 30 —

The Western Branch Bruins came to Frank D. Lawrence Stadium with an outside hope of wrecking Wilson's chance for the Southeastern District title.

For three quarters, the President's first team built up a thirty point lead. Then the backups came in and provided a 44 point quarter, each team matching the other with three touchdowns.

For Western Branch, Junior running back Rochelle Carney was the sparkplug scoring all three touchdowns; one on a kickoff return. Robert Davis matched Carney with three touchdowns, one of his also on a kickoff return.

Next years entire backfield played well with quarterback Eddie McSweeney throwing for one touchdown and Kenny Vaughn making very good gains on the ground. Robert Davis, Kenny Moody, and Charles Harris will complete next year's backfield.

Wilson 16, Maury 6

Norfolk, December 4 —

Once again Wilson played the role of spoiler in the Eastern Regional Championship game as the Prexies defeated Maury 16 to 6, dashing the Commodores' hopes for a perfect season. In 1968 Wilson accomplished a similar feat by beating previously undefeated First Colonial.

Maury struck early and scored the first time they had the ball. John Bell scored for the Commodores on a six-yard run. The conversion attempt failed, and Maury led six to nothing.

The last three quarters were another story, as Wilson completely dominated the game. The first President score was an eight-yard touchdown pass from Sebastian Collins to Robert Powell in the second quarter. Ton Davis scored the two point conversion, and Wilson led Maury eight to six.

In the fourth quarter Robert Powell intercepted a Maury pass and ran it back to the Commodores' 35 yard line. Wilson moved the ball down to the Maury 14 yard line. Then Sebastian Collins carried the ball over the goal line for another Wilson touchdown. Davis scored the two point conversion, and Wilson led sixteen to six. Maury was unable to score and the game ended as a sixteen to six Wilson victory. This was Wilson's second Eastern Regional title in three years and made the Presidents the number two team in the state.

J.V. football team wins seven

Junior Varsity Football

The Woodrow Wilson Junior Varsity football team had another highly successful campaign in 1970. In what was supposed to be a rebuilding season, the JV's won seven games and lost only one.

The freshman-dominated JV's combined a strong defense with an explosive offense. Quarterback Mike Lilly was praised by Coach Sweet as being "one of the best young quarterbacks ever produced at Wilson." Top runners on the JV squad were Lester Thorne, playing at the fullback position, and the Reginald Jones, playing as a halfback. The leaders of the defensive squad were Jimmy Redmon, Carl Williamson, and John Moss. All of these players can be considered Varsity prospects.

Our congratulations go to Coaches Sweet and Smith and to the entire JV squad for such a fine season.

THE VARSITY CHEERLEADERS

"All for Wilson High stand up and holler!" Sound familiar? The Varsity Cheerleaders are one of Woodrow Wilson's liveliest organizations. They boosted school spirit and helped promote good sportsmanship throughout the year by sponsoring pep rallies and victory dances. Also, they organized spirit weeks at Wilson and before each football game saw to it that all football players were remembered with favors. On assembly days they increased student enthusiasm with their rousing pep rallies. Before each game their go-get-'em signs were noticeably displayed in the halls. Truly these girls are a vital part of life at WWHS.

THE J.V. CHEERLEADERS

The JV Cheerleaders, sponsored by Miss May Gilliam, have been outstanding this year — assisting the Varsity Cheerleaders by cheering in the stands at varsity games, as well as leading cheers for JV games.

Two of their money-making projects during the year were the sale of homecoming flowers and the sale of programs at all varsity football games. When these girls try out for the varsity squad next year, they are certain to make an excellent showing.

Hopkins and Prince take over basketball coaching duties in 1970-71.

The Woodrow Wilson basketball team, under the direction of first year coach Ken Hopkins and assistant coach Wayne Prince, had a record of six wins and thirteen losses in the 1970-71 season. After a disappointing start, the team staged a late season rally and advanced to the Southeastern District tournament.

The Presidents got off to a poor start, winning only one game before Christmas. The team lacked experience and practice, as most of its members had played football. After the first of the year, however, the team's technique improved and several individuals turned in outstanding efforts. Robert Powell averaged almost 15 points per game. Eddie Powell, Eddie McSweeney, and Mike Fagan were other outstanding starters.

A late season rally surprised many people, as Wilson defeated highly rated Maury and lost to Princess Anne by only four points. Johnnie Walton, a former JV player, was an outstanding late season addition to the Wilson varsity squad.

Coach Prince, in his first year as J.V. basketball coach, has molded his team into a winner. This year's team finished with a ten and eight record. Coach Prince was not fully satisfied with this, feeling that more games should have been won.

Of the eighteen games the J.V.'s played, twelve were decided in the last two minutes and five were decided in overtime. Their record in games gone into overtime was four wins and one loss, that loss at the hands of Deep Creek.

Although emphasis is put on winning, the J.V. basketball program's primary objective is developing players for the varsity program. This year Johnny Walton was placed on the varsity team near the end of the season. He quickly proved himself by scoring in double figures in three of the four games he played. He contributed the winning basket in Wilson's upset of Eastern district rival Maury.

This year's team was led principally by six players: Johnny Walton, Lesley Thorn, Reginald Jones, Charles Harris, Steve Austin, and Johnny Moss. Walton led the team in scoring with a 14.8 average. He was followed by Reginald Jones with a 13.4 average. Rebounding was left to Steve Austin who had 169 for the season.

compiling a winning record

The wrestling team, under Coach Sweet, compiled its first winning season in three years. Wins over Deep Creek and Warwick assured the wrestlers of a winning season. Steve Philbrick's 2-1 upset gave the Presidents their win over Deep Creek.

Although most memorable matches are victories, some are not. Steve Philbrick became the only person whom Danny Harmon has failed to pin although he lost. Carl Turner, Kenny Moody, and Richard Gatling also had some exciting matches.

Coach Sweet has much to look forward to as only one wrestler is graduating this year. Co-captain Robert Hughes is leaving and his replacement in the 167 class will probably be Richard Butt. Co-captains Kenny Moody, Richard Gatling, and the rest of the team are returning with another year of experience.

Wilson was amply represented in the Regional Tournament with 8 wrestlers. They were Billy Crafford, Carl Turner, Willie McFadden, Richard Gatling, Kenny Moody, John Merritt, Robert Hughes, and Steve Philbrick. Carl Turner and Steve Philbrick also went to the State Tournament.

Cross country team shows promise for future.

Although the cross country team won only two meets this year while losing seven, first-year coach Ken Hopkins has much to be happy about. Of the entire track team, only two runners, Bruce LaLonde and Dwight Moore, are graduating. The others will be back next season. Among the more promising of the returning runners are Andrew Hill and Herb Miller.

Inexperience was the major handicap to the team in 1970. Several of the defeats were very close and could easily have gone the other way. In two of these losses the margin was less than five points. These defeats were inflicted by Great Bridge and Deep Creek. Wilson's two victories were over Western Branch and Churchland.

Under the leadership of Coaches Smith and Bullheller and Captains Ronald Hardy, Dwight Moore, and Bruce LaLonde, the Wilson track team ended its 1971 season with an undefeated 4-0 record. Wilson proved strong in all fourteen track events and was represented by Howard Joyner, Alvin Ely, Ronald Hardy, and Bruce LaLonde at the state meet in Lexington on February 27.

This year some new records were set in track. Howard Joyner set a school record in the high jump with 6'2¼". Alvin Ely tied the school record in the high hurdles at 6.7 seconds. Ely also set an indoor track record in the broad jump with 20'7½". Ely led the track team scoring with 40 points.

The victories were over Cradock, Western Branch, and Oscar Smith; Norcom forfeited its meet to Wilson.

Ricky Mattox is the only returning letterman out of four from last year. "Dwight Spivey, returning to Wilson from military school is also a good prospect," says Coach Beale. Both are seniors. "Michael Scanlon and Geoffrey Clyver, both juniors look good for the team for this year and next year," says the coach.

Charles Kahler, Robert Rordon, Earnest Stokes, and James Robinson are the freshman on this year's team.

Coach Phil McMillan assumed coaching duties for the Woodrow Wilson tennis team in 1971 in what promises to be a highly successful year. The team will play ten matches in 1971 against such tough Southeastern District teams as Cradock and Churchland. Their toughest non-district team they will play is Maury. The starters this year will be Louis Morris, Robert Hurwitz, Robert Sumner, Mark Kozak, Jed Levinson, and Allan Shapiro.

Finishing second in the southeastern district last year with a seven and three record, the prospect of a higher finish this year and next is enhanced by the fact that the starting lineup is made up of four underclassmen and two juniors.

This promises to be a difficult year for the Wilson Varsity baseball team, but Coach Prince thinks that the team can finish in the top half of the conference.

Pitching seems to be the question mark hanging over the team this year, but an outstanding effort should be turned in by returning pitcher Dana McCormick. The other pitchers are first year men Glen Croome, Johnny Moss, and Les Thorne.

Fielding is the team's strong point this year. In the outfield will be Ton Davis, Mike Griffin, Bruce Zirkle, and Ronnie Peaks.

Eddie Lilley and Rober Cross will play at the first base position, Buddy Minor and Louis Bagley will play at second, Howard Henry and Reginald Jones will play at third, and Coy Godwin and David Van Dorn will be the shortstops. David Moss and Butch Daniels will be the catchers.

Leading hitters this year should be Bruce Zirkle, David Moss, Eddie Lilley, and Mike Griffin.

The hockey team begins practice about three days a week as soon as school starts. The hockey team consists of fifteen girls. To learn new techniques, they play practice games against other schools. At the end of hockey season, there is a game between all the high schools in Tidewater. This year the hockey team played three different schools at William and Mary College, ending in a very eventful season.

The co-captains of the hockey team are Karen Smith and Mary Green. The coach is Miss Betty King.

The Modern Dance Club begins practice in January to prepare for a March assembly. The club meets every Tuesday and Thursday afternoon of each week. In the Modern Dance Club, the members learn choreography and how to arrange dances of moods of music. Modern Dance is a way of expressing one's feeling toward another.

The president of the Modern Dance Club is Marsha Spear. Their instructor is Mrs. Judith Anderson.

A welcome for the teachers

SCA

The S.C.A. (Student Cooperative Association) certainly lived up to their name. From teacher and freshmen orientation to Senior graduation, they attempted and successfully completed many projects. The list included: (1) taking complete charge of the United Fund Drive and receiving 100% cooperation from the students; (2) stressing the Student Scholarship Fund and making it a vital part of student life; (3) distributing letters of appreciation, apples and flowers to the teachers during Teacher Appreciation Week in October; (4) organizing the election of the homecoming court and making them feel wanted with a lovely float at the traditional football game; (5) aiding the administration by helping to initiate a new dress code for girls — pantsuits invaded W.W.H.S.

When the 1970-71 S.C.A. stepped down, they had reasons to sigh . . . "It was a truly great year."

Forensics is divided into five categories: poetry, prose, original oratory, extemporaneous oratory and spelling. These categories, except for spelling, are each represented by two people, a boy and a girl.

The representatives of the school are chosen in contests. All of the contests, except spelling, have a panel of judges who choose the winners.

The spelling champion is chosen from the winners of the spelling contests in the English classes. All of these winners compete in a final contest where the contestant with the fewest misspelled words becomes the school representative.

The school representatives then compete in a district contest. The winners in the district contests then go to state, where the competition is among the district winners of Virginia.

THE VOCAL DEPARTMENT

The Vocal Department of WWHS is one group that remained busy throughout the year. Under the direction of Mrs. Fay Buckley, the various groups gave school concerts, entertained at many civic functions, and assisted with the musical "My Fair Lady."

The Presidents and First Ladies are a group of twenty-one who represented Wilson at many luncheons, banquets, and community events throughout the entire year. The Mixed Chorus is a group of about sixty students who participated in various school concerts throughout the year, including two Lancaster Scholarship concerts. The Girls Chorus consists of approximately twenty-five girls. These girls have represented the school at several civic functions, the Lancaster concerts and they have learned many new things about singing.

Membership to the above three groups is obtained by satisfactory audition with the director.

The Boys and Girls Glee Clubs do not require an audition. These groups participate in school concerts and learn how to better develop their voices.

To be a member of the WWHS Vocal Department is an honor, and is regarded as such by all involved.

Mrs. Buckley helps students prepare for a song fest.

The orchestra varies its music

The Orchestra of Woodrow Wilson High School, under the direction of Mr. Michael Laguta, meets sixth period in the band room. Realizing the varied tastes and moods of people who enjoy music, the orchestra plays everything from Bach to Bacharach.

The group gives concerts during the year and spends many hours practicing. Most of the members of the orchestra begin their training in junior high school so that they are well prepared to participate in the Woodrow Wilson High School Orchestra.

Mr. Ruzek directs the band during the Christmas Assembly

The band entertains at halftime

WWHS band is active throughout the year

The band arouses spirit at a Pep Rally

If, in the beginning of the year, anyone ever ventured t look out in the cold mist of first period to the area behin the tennis courts, he would likely see the band putting in a hour's worth of hard work preparing for a football gam Others might sit in class and tap their feet to the beat c "Aquarius" or other band favorites. Later in the year, it wa time for the Christmas parade; and everyone knew wha that meant – a few bars of "Jingle Bells" followed by "TH HORSE"!! But by this time the band was inside working o its Christmas Concert which included a salute to Beethove on his birthday.

The highlight of the season was the Christmas Assembl As students were listening to "Overture of 1812" (alia "This Is the Cereal That's Shot from Guns") they found th stage nearly covered with multicolored streamers. But, a band members know, it was back to work to prepare fo Band Festival (competition between area bands), the Sprin Concert, and later back to the field for more parades. Any way you look at it, band members are always hard at wor perfecting their performances.

Majorettes step high.

Led this year by Susan Branon and Ginger Wyant, the majorettes of Woodrow Wilson High School strove to perfect their twirling routines. Practice was a year 'round task, and it paid dividends obvious to everyone who saw them perform in assemblies and at football games to such tunes as "Aquarius," "The Horse," and "The Stripper."

I.C.T.

Industrial Cooperative Training is a form of cooperative part time education designed to provide vocational industrial training opportunities for high school juniors and seniors at least sixteen years of age. The student-learners attend school one half of each school day, and receive work experience on the job in a trade or industrial occupation of their choice the other half of the school day.

FBLA learns skills today for jobs of tomorrow

The main purpose of the Wilson chapter of the Future Business Leaders of America is to mold the business students of the school into the most qualified leaders of tomorrow's business world. In their monthly meeting, the chapter devotes itself to helping the Future Business Leaders develop their character and leadership to the highest peak. They learn the ethics of good business practice in a way that will create better business relationships.

They undertook many projects that helped to develop the character of tomorrow's leaders. They attended the October regional meeting at Old Dominion University and participated in several contests at the State Convention held in the spring. They learned how to work with other school-oriented, professional organizations by participating in activities with other FBLA chapters in the area.

VOT students combine school with their jobs

The Vocational Office Training Program, coordinated by Mrs. Underwood, is that part of the Business Education program that is in essence cooperative part-time. This program operates with a twofold purpose: classroom study and learning basic skills for office jobs, and on-the-job training under the competent supervision of the employer or office supervisor. One phase of the program compliments the other.

Student schedules are arranged so that each individual participating in the program attends classes half of the school day and is employed in an office capacity during the remaining part of the day. An arrangement of this nature makes it possible to combine a regular high school course with beneficial preparation for work and enables a student to explore office occupations before graduation. Job orientation of this type makes possible higher pay and faster promotions in employment after graduation.

Students study to be practical nurses

Portsmouth School of Practical Nursing, founded in January, 1967, is the first school of practical nursing in Portsmouth. The school, jointly sponsored by the Portsmouth School Board, Maryview Hospital, and Portsmouth General Hospital, is under the direction of Mrs. Katherine Decker.

The students who are seniors in Portsmouth high schools, are taught nursing theory during the academic year, and they receive clinical instructions by Mrs. Jane Greenwood and Mrs. Dorothy DeSue in one of the hospitals for thirty-three weeks. The program is approved by the Virginia State Department of Education and the Virginia State Board of Examiners for Nurses.

"Touch Humanity — Teach" is the motto of the Future Teachers of America, and expresses well the philosophy of the club and its members, who exert considerable effort in planning their future careers. The FTA was founded in 1951 in honor of Principal Sweeney and his outstanding contributions to youth education.

Woodrow Wilson's FTA meets in room 118 every third Tuesday, with Mrs. Huff as Advisor.

THE DEBATE TEAM

The debate team, though a small group, does a great job of presenting the pros and cons of a certain issue. The debate team gives its members a chance to voice their own opinions. They learn the proper techniques of debating and compete against other area schools. The team debated in Charlottesville and at Wake Forrest this past year.

Debates require much preliminary preparation.

Signing the Honor Scroll during "Honor Week"

Court of honor promotes honesty throughout the school

The Court of Honor works to enforce the Honor Pledge by endeavoring to create an awareness in students of the damage to personal integrity and to the school reputation caused by cheating, stealing, or lying. During Honor Week students in all classes are given the opportunity to sign the Honor Scroll, thereby pledging to help promote honor at WWHS.

Student Action Council works to obtain student privileges.

Mr. Vernon Randall, assistant principal, set into motion the Student Action Council with Mrs. Shumaker responsible for guiding the group.

The basic purpose of the group is to provide an opportunity for students to express their views concerning the many and varied problems confronting today's high school students. This council also serves as the nucleus of understanding between the administration and the students.

The various classes, races, and organizations are fairly represented on the committee in an effort to perpetuate new and different ideas. The S.A.C. this year used its influence in receiving permission for the female students to wear pants outfits to school.

Students relate to society

The Science Club strives to increase the students interest in science and to teach the students how science is related to our complex society. Also, it strives to make the knowledge gained from one's study of science, practical and useful for day to day living.

The Archimedes Math club strives to promote student interest in mathematics. It not only educates the members about mathematical concepts but also exposes them to math stunts and games.

All in all, both clubs help the students adjust to our fast-moving society.

NHS honors industrious students.

This year, the Woodrow Wilson Chapter of the National Honor Society completed its twelfth year in existence. The officers for the 1970-71 school year have been: Mark Coberly — President, David Sumner — Vice President, and Ann Hall Secretary-Treasurer.

Miss Shumaker and Miss Rice, the faculty advisors, have worked diligently to insure the smooth operation of the organization. For a student to be considered for membership, he must have a 90 average with no semester grade below 76 and he must have been enrolled in Wilson for at least one semester. Presently there are fifty-one members in the organization.

The new members take their pledge.

These sportsmen lead Wilson to victory

To become a member of the Varsity Club, one must have won a letter in one of the many sports offered at Wilson. In order to win a letter, one must have a coach recommend them or have scored a high number of points. On February 20th the Varsity Club matched their skills against the WNOR High-Hoopers. The Varsity Club won with a score of 76 to 69.

Come see the making of power

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

Gift of youth.

This gift was embodied in a mythical ring belonging to a hero, Ogier the Dane. Ogier's ring not only removed the wearer's infirmities; it also restored his youth. Try your Balfour class ring 50 years from now. Maybe it can do the same.
